

Shop online - pay offline

Customers can pay with Paysafecash here and at many more Paysafecash acceptance points:

Acceptance Points can process Paysafecash payments easily:

1

Select Paysafecash

Select Paysafecash on your terminal. You can find it next to paysafecard.

2

Scan Barcode

Scan the barcode shown by your customer or type in the barcode number manually.

3

Collect Cash

After collecting cash from your customer, confirm payment on your terminal and hand over the receipt to your customer. Done!
